STAINLESS STEEL

HOT WATER URNS

'Safe T Lock lid' is a unique feature designed by our engineers to add safety and confidence to the Crown urn range.

Available in 'Standard' and 'Safe-T' models, **CROWN URNS** include a range of built in features that place them at the top of the list of urn manufacturers.

Constructed from high quality stainless steel and incorporating thermostat control and boil dry protection in the element, these urns are suitable for all applications from catering to sporting clubs, factories and take-away shops.

Features include

- * 'Safe T lock' on lid (Safe T model only)
- * 'Safe T' grip handles
- * Standard mug fits under tap
- * 'Safe T' non drip tap
- * Water level sight tube
- * 'Safe T' Skirt on lid knob
- * Dual safety thermostat control
- * High temperature resistant handles
- * 'Safe T' Boil Dry thermostat on element
- * Special models available on request.
